Description:

The improvements under this Contract consist of the furnishing and application of herbicides to treat undesirable roadside vegetation along designated primary and interstate roadways at various locations within Jackson, Washington, Gadsden, and Leon Counties. Maintenance of Traffic and Mobilization are incidental to the bid items listed. The Department does not guarantee any maximum quantity, any range of quantities, or the exact quantities shown for each item to be bid. The Departments estimated quantities are used to establish unit price bids for each item that will be used to calculate a total bid amount which will then be used to determine the low bidder and contract award. The actual reimbursement to the Contractor will be based on the unit price of the actual amount of work authorized, completed and approved by the Engineer. This pushbutton contract has a budgetary ceiling of \$500,000.00.
